

Winners Circle!

From shampoo to shears, we asked American Salon readers to pick their favorite professional products in 19 categories.

1. SKINCARE LINE: Aveda Green Science This regimen of plant-infused products, with certified-organic argan and plai oils and cactus, firms skin and reduces the appearance of wrinkles. aveda.com

2. HAIRCARE OIL: The Original Moroccan Oil Treatment The product's lightweight blend of argan oil and vitamins A, E and F absorbs instantly to produce frizz-free shine. moroccanoil.com

3. STYLING PRODUCT: Paul Mitchell Super Skinny Serum The Super Skinny Complex deeply penetrates the hair shaft to displace water and constrict hair to make styling easier and reduce drying time, while lightweight silicones smooth, condition and seal hair for added shine. paulmitchell.com

4. BLOW-DRYER: Solano SuperSolano Original Made in Italy, Solano's original dryer features far-infrared heat, tourmaline, a ceramic thermal grill, silver nanotechnology and a powerful AC motor for healthy salon-perfect blow-outs. solanopower.com

5. MEN'S LINE: American Crew The versatile men's line includes such staples as the Classic Daily Shampoo, Classic Stimulating Conditioner and Pomade, a water-based formula that contains lanolin for pliable hold and extra shine on curly or straight hair. americancrew.com

6. CONDITIONER: Aveda Damage Remedy Restructuring Conditioner Daily conditioner with certified-organic quinoa protein repairs and adds moisture to hair from the inside out for ultimate shine. aveda.com

7. SHAMPOO: Pureology Hydrate With the AntiFade Complex to maximize color retention and a blend of organic botanicals like rose, sandalwood and green tea, this shampoo gently cleanses color-treated hair. pureology.com

8. SHEARS: Kamisori Black Diamond The legendary model features cobalt steel coated with black titanium and an ergonomic design for comfort and durability. kamisorishears.com

9. HAIR TREATMENT: Redken Chemistry System This in-salon service offers intense, customized treatments for a range of hair needs—moisture, color protection, strength, softness and control. redken.com
